NAZI WAR CRIMES DISCLOSURE ACT
DATE 2008

1. Per Reference A, transmitted herewith are photographs of diplomatic personnel who were assigned to the Czechoslovak Legation at Bern as of July 1957.

2. Since it would be equally difficult to explain to the Swiss why KUBARK has taken it upon itself to pass them photographs of personnel assigned to the CSR Legation in Switzerland, we suggest that you pass only the photographs of Jaroslav ANTOS and Jan BERAN at this time, explaining that we have received an unconfirmed report that these CSR case officers have recently operated in Munich and Switzerland, mainly running operations out of East Berlin.

3. To our knowledge, Jaroslav ANTOS, who was PNG'd by the Swiss on 29 July 1958, is the only CSR case officer who has been involved in a security slap in Switzerland in recent years.

4. We would suggest that you retain the negatives of the photographs in your files until such time as it would be appropriate to pass them to the Swiss.
